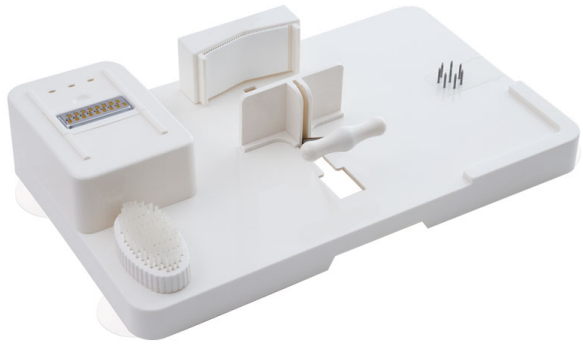
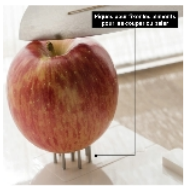
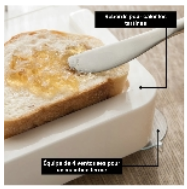
Maxi preparation board







- 817190

- **Makes eating easier for people with disabilities**
- **Multiple built-in accessories : cleaning brush, clamp, spikes, peeler**
- **Stays firmly in place with 4 suction cups**

This Maxi preparation board makes preparing food easier. It increases independence for elderly people, those with reduced grip strength or disabilities.
It includes :
- A clamp with an easy-to-use handle to secure dishes or food
- A peeler/slicer with 3 different cutting inserts
- A food brush for cleaning with one hand
- Spikes to hold food in place for cutting or peeling
- 2 raised edges to hold slices of bread in place
- Four suction cups on the underside keep it firmly in place on the work surface.

Hand wash.
