Thermo-slimming cream

- 500 ml - 428081

- **Warm effect against orange peel skin**
- **French manufacture**
- ☐☐ **Only the model 500 ml is available**

The thermo-slimming cream is used to tone and firm the skin. Its gentle warm sensation combines the draining action of ivy and the stimulation of lipolysis (caffeine and guarana). Warm effect against orange peel skin

2 capacities available: 100 ml or 500 ml. *(The model 100 ml is no longer available for sale).*
