IDENTITÉS

Black reflective tape

- 819074

- **Discreet during the day, reflective at night**

Stick these tapes on the tubing of your wheelchair, scooter or bike, and you'll be seen in the dark. These black strips, made from alkyd resin, are highly reflective of car headlights.
Roll of 2 metres.
Width 5 cm.
Can be cut to size.

Date d'impression : 23/11/2026
