

Profilo bath seat

- Adjustable width to fit most bathtubs
- Anti-corrosion aluminium structure
- Easy to clean material
- Seat adjustable in 3 heights

The Profilo bath seat allows you to wash yourself comfortably and safely. You can choose between 3 seat heights: the high seat (picture 1) is particularly suitable for people with reduced mobility who can step over the edge while sitting. The lower seats allow you to sit below the level of the ledge.

The high quality construction means that it is easy to fit onto the rim of your bathtub without the need for tools, and holds firmly in place without moving.

The seat's side supports are adjustable in width, so the Profilo fits most bath models.

Seat dimensions: width 42 x depth 38 cm.

Rim height -3 cm, medium position -10 cm and low position - 22 cm.

Width of supports from 65 to 72 cm - internal width from 44 to 51 cm.

Total height 27 cm.

Maximum weight 110 kg.
