Phytotech Cold Clay

- 1 L - 428037
- 130 ml - 428036
- 500 ml - 428116

- **Made in France**

Cold clay is used to treat muscles and injuries with the minerals and trace elements found in green clay. It is made from essential oils (thym, clove, sage and cypress) and plant extracts (guarana, ivy, fucus, arnica, etc.). Apply in a thick layer.
