

Phytotech Cold Clay

- 1 L 428037
- 130 ml 428036
- 500 ml 428116

• French manufacture

Cold clay is used for muscle and trauma care with the minerals and trace elements of green clay. It is made from essential oils (thyme, clove, sage and cypress) and plant extracts (guarana, ivy, rockweed, arnica...). Application in a thick layer.

Capacity 130 ml, 500 ml or 1 L.
