Swift shower chair

- Blue - 812136
- Grey - 812200
- Green - 812069

- **Comfort armrests and backrest**

The Swift shower chair combines numerous innovations in comfort and functionality, allowing users to shower safely while sitting comfortably. The design of the seat and backrest provides a very relaxing position. The legs are easily adjustable in height. The frame is made entirely of aluminium and polypropylene, which is corrosion-resistant. Non-slip rubber feet.
