

Amefa 3-piece ergonomic cutlery set

- Right-handed model - 813079
- Straight model - 813189
- Left-handed model - 813080

- Sold per set
- 3 different models available: straight, for right-handed people, and left-handed people

Amefa cutlery is especially designed for people with gripping difficulties. This range of cutlery makes it easier to grip with cutlery that resembles standard cutlery. The anatomically curved handles make it possible to eat while limiting wrist twisting.

Set of 3 pieces of cutlery consisting of a fork, a spoon and a knife to cut with one hand.
