

Swivel bath chair

- **This armchair-shaped bath seat swivels 360° to facilitate access to the bathtub for people with reduced mobility.**

Sit outside your bathtub and gently swivel 90° to enter it. Simply lift the side lever to swivel it. You can then shower safely and comfortably.

Without the use of any tools, the seat simply rests on the edges of your bathtub and is secured with two non-slip side stabilisers. Its all-encompassing seat is equipped with holes to facilitate water drainage.
