High spout cup

- 813147
(On restock - Available from 20/01/2027)

- **Supplied with 2 lids**
- **Microwave and dishwasher safe**

This lightweight cup with a high spout makes drinking easier. The high spout is designed so that the nose does not bump against the side of the cup. The small diameter makes this cup easier to hold, even for small hands.

It is supplied with two different lids : one with a narrow opening for drinks and one with a wider opening for semi-liquid foods. Microwave and dishwasher safe.

Capacity : 27 cl.
Height : 12.5 cm.
Diameter : 5.5 to 8.5 cm.
Lid height : 4.8 cm.

Date d'impression : 02/11/2026
