Ergo nose cut-out cup

- Blue - 813175
- Transparent - 813153
- Green - 813152

- **Anatomical grip**
- **Nasal cut-out**
- **Available in 3 colours**

The Ergo nose cut-out cup has been designed to minimise movement when drinking. It allows users to drink with their head upright due to its special wide cut-out that fits around the nose. The cup is anatomically shaped and ridged for a better grip. Made from food-grade polypropylene. Dishwasher and microwave safe.

Capacity : 27 cl.
Height : 12.5 cm.
Diameter : 5.5 to 8.5 cm.

Choice of 3 colours : green, transparent and blue

100% Made in France.
