

Ergo nose cup

- **Anatomical grip**
- **Nasal cut-out**
- **3 colours available**

Our Ergo nasal cup has been designed for drinking with minimal movement. You can drink while keeping your head upright due to its special wide cut-out allowing the nose to pass through. Anatomically shaped serrated glass for a better grip. Food grade polypropylene. Dishwasher and microwave safe.

Capacity 27 cl.

Height 12,5 cm. Diameter 5.5 to 8.5 cm.

3 colours available: green, transparent and blue

French manufacture.
