Comfortable shower chair

- 812196

- **Very comfortable seat**
- **Highly resistant structure**

The sturdy shower chair is designed to provide support and comfort for individuals who need assistance when standing or sitting in the shower. The chair features a durable, ultra-resistant steel frame with a height adjustable design, offering 5 different height options to suit individual needs. The plastic seat is designed with drainage holes to ensure maximum water drainage, keeping the user comfortable while showering. Anti-slip rubber ferrules on the legs to ensure safety and stability, while the lightweight structure makes it easy to move and position in the bathroom.
