Pivot walker

- Size 1 - 826142N
- Size 2 - 826143N
- Size 3 - 826144

- **Can be used in both directions**
- **Choice according to the size and age of the child**
- **A wide range of accessories to personalise use and safety**

The Pivot is a walking frame for children that can be used in both directions – as a standard walking frame or a reverse walking frame. It features several safety measures: the swivel wheels can be locked in the upright position and the speed at which the wheels rotate can be adjusted. The wheels are fitted with brakes for extended breaks. Lightweight aluminium frame.

Folding frame on sizes 2 and 3.

Height adjustable in 2.5 cm increments.
Weight: 6 to 8 kg.
