Our Ergo Tech crutch features many technical advances.First, its self-supporting high-tech aluminium tubes gives it optimum rigidity and reduced weight.

The Ergo Tech model has hand support like the Opti-Comfort. It has a height adjustment of the anterior brachial support (4 positions from 215 to 263 mm). It is equipped with a support folding system that makes it easier to put down the cane. Its unique adjustment capacity allows it to adapt to all users: handle adjustable from 69.5 to 99.5 cm in 14 settings. They are equipped with an anti-ejection adjustment system. Hammered finish aluminium. Anti-noise operation. Articulated base with anti-perforation device and damping effect. High quality French manufacture. Intelligent dynamic and articulated end cap.

Ultra-light structure: only 465 gr per stick!

Maximum authorised weight 130 kg.

The pair.
