

Vegelya Small Comfort Cushion

- 855106

This small Végélya comfort cushion accompanies one everywhere, on trips, on the sofa, and provides exceptional comfort and support. Highly versatile, it is ideal for the neck, lower back, arms, etc.

Dimensions : Width 36 cm x depth 26 cm x thickness 12 cm.

Material : D50 viscoelastic memory foam enriched with bamboo activated carbon. Grey velvet covers 75% cotton – 25% polyester.

Thick anthracite grey velvet cover, machine washable at 40°.

The memory foam used is a highly resilient viscoelastic foam enriched with bamboo activated carbon.

The benefits of memory foam :

It allows the pillow or cushion to mould to the shape of the body, creating a feeling of floating. This high-resilience foam provides exceptional comfort by preventing pressure points on the skin, while allowing air to circulate to keep it cool.

The benefits of bamboo activated carbon:

Bamboo has proven temperature-regulating properties, helping to limit heat build-up and absorb moisture from your foam. Activated carbon prevents bacteria and dust mites from accumulating inside the cushion.
