

Moorea bath access steps

- Optimal height 12 cm
- Steps can be stacked and locked together

The Moorea bath step allows the user to step over the edge of the bath more easily with its optimal height of 12 cm. Its design provides exceptional stability and remains secure due to its textured surface and green rubber non-slip pads. Provides an additional 12 cm in height. Possible to connect and stack if using multiple steps. When two steps are stacked one on top of the other, the total height is 18.5 cm, adding 6.5 cm for each additional step.

Flat top surface : width 44 x depth 35 cm.

Overall dimensions : 50 x 39 cm.

Weight : 1.2 kg.

Maximum user weight : 200 kg.
