

## Miller Blade

The Bagheera Iazard emergency bag is made of Cordura, a material highly resistant to abrasion and time. It is composed of a large external large volume pocket with internal mesh pocket. There are 3 Stream removable kits available in different colours. A practical backpack-type bag to carry thanks to its wide and comfortable shoulder straps. Equipped with gear straps, a hoisting ring and a label holder.

Dimensions: width 30 x depth 16 x height 50 cm. Volume 30 litres. Weight 1 kg.

Guaranteed for 5 years.
