

Cherry stone heating pad

- Heating pad filled with cherry stones that quickly store heat and release it slowly
- Ultra-soft microfibre cover

The neck pillows are filled with cherry stones. They store heat very quickly and release it slowly, allowing the user to enjoy the benefits of heat for longer. The muscle relaxation caused by the gentle, deep heat will help to soothe aches and pains caused by everyday fatigue.

Microwave heating only.

Filled with 100% cherry stones and covered with ultra-soft microfibre polyester.

Colour : green.
