Set of 6 GrabBalls

- 10 cm - 404042

- 21 cm - 404043

- **Easy to catch**
- **Highly resistant material**

These Grab balls are made from a single piece of indestructible, flexible rubber.
They can be used for all team games.
Due to their open design, these balls are very easy to catch and throw.
They can also be used for target throwing activities on coat hook-style targets.

Supplied in sets of 6 in 6 different colours.

Diameter : 10 or 21 cm.
