- 90 x 200 cm - 855087

- **High resilience mattress that moulds perfectly to the shape of one's body**
- **The unrivalled comfort of memory foam**

The Végélya memory foam mattress is a high-resilience mattress that moulds perfectly to the shape of one's body. It is made up of two different layers of foam to guarantee exceptional support : a lower layer of high-resilience polyurethane foam (30 kg/m3, 16 cm thick) and a layer of visco-elastic memory foam (55 kg/m3, 5 cm thick). The total thickness of the mattress is 23 cm : 16 cm of HR foam + 5 cm of visco bamboo + 1.5 cm of visco in the cover + a few mm of fabric. The mattress cover is very soft to the touch and is made of 1.5 cm of memory foam + a GreenFirst and aloe vera-treated polyester cover, which is fully removable and washable. Air for 24 hours before use.

5 sizes available :
