Its memory foam design provides firm cervical support and optimal head support, promoting a good night's sleep. This ergonomic pillow is made from memory foam that is infused with natural castor oil and bamboo activated charcoal, providing a long-lasting fresh feeling and natural odour absorption properties.

The open-cell foam of this ergonomic neck pillow provides the freshness needed for sleep by allowing air to circulate freely.

The ultra-comfortable cover is Greenfirst certified, and has unique 100% natural anti-mite, anti-moth and anti-mosquito treatment.

It is enriched with aloe vera for added softness. The Vegelya Premium pillows are Tüv ToxProof certified, guaranteeing that they are completely free from harmful substances and pollution.
