Its memory foam design provides firm cervical support and optimal head support, promoting a good night's sleep. Our ventilated Vegelya foam is enriched with natural castor oil and activated bamboo charcoal for a prolonged feeling of freshness and natural odour absorption properties.

The open-cell foam of this ergonomic neck pillow provides the freshness needed for a good night's sleep by allowing air to circulate freely.

The ultra-comfortable cover is GreenFirst certified, the only 100% natural anti-mite, anti-moth and anti-mosquito treatment.

It is enriched with aloe vera for added softness. The Vegelya Premium pillows are Tüv ToxProof certified, guaranteeing that they are completely free from harmful substances and pollutants.
