- XL - 822178

- XXL - 822272

- **Suitable for obese people**
- **Corrosion-resistant painted aluminium frame**
- **Soft and comfortable seat, backrest and armrests**
-

The Aston shower and toilet chair offers functionality, comfort and quality for the patient's shower. It can be used as a shower chair or toilet chair because of its features. It features all the latest advances in mobility and comfort : 4 multi-directional wheels with brakes, soft, easy folding armrests, a double footrest that is folding, removable and height-adjustable, and a soft seat with a removable insert for toilet use. The seat and backrest are made of high-density foam that is non-deformable, waterproof and can be sanitised. The large-capacity potty (5 litres) with lid is removable from the rear. The backrest can be removed for easy transport. Anti-corrosion painted aluminium frame.
