- XL - 822178

- XXL - 822272

- **Suitable for obese people**
- **Corrosion-resistant painted aluminium frame**
- **Soft and comfortable seat, backrest and armrests**
-

Our Aston shower and toilet chair offers functionality, comfort and quality for patient showering. It can be used as a shower chair or toilet chair. It is equipped with all the latest innovations in terms of manoeuvrability and comfort: 4 multidirectional wheels with brakes, soft, easily foldable armrests, a double folding, removable and height-adjustable footrest, and a soft seat with removable interior for toilet use. The seat and backrest are made of high-density foam that is durable, waterproof and sanitizable. The large-capacity (5 litre) bucket with lid is removable from the rear. The backrest can be removed for easy transport.

Corrosion-resistant painted aluminium frame.
