

Vegelya multi-position cushion

- A new, very versatile cushion
- Travel pillow with neck support
- Lumbar support for extra comfort in the sitting position

The Vegelya range is expanding with our new multi-position cushion. Its unique design makes it possible to use it at any time. You will place it on your seat to give your seat extra comfort and support. Unfolded, it will be very comfortable in lumbar support. Folded or unfolded, it will be a firm and comfortable support for your neck, ideal for reading or travelling. In the folded version, it is secured with a button strap.

Very comfortable with its memory foam flake filling and ultra-soft velvet covering.

Unfolded dimensions: Length 48 x width 32, thickness 11 cm.
