- **Maxi version for all body types**
- **Lift with 2 motors**
- **High-quality Okin 2-motor model**

The Diamant electric reclining armchair has been designed to combine comfort and contemporary style for the home. The chair is equipped with two high-quality motors and a structure that is even more reinforced than previous models. The two motor models offer additional features compared to single-motor chairs : the footrests can be operated independently of the backrest and the chair can be reclined to an almost flat position for a more comfortable nap.

The Diamant armchair is available in 3 exclusive, high-quality upholstery options : chocolate imitation leather, grey heather fabric, taupe microfibre.

Overall dimensions : width 86 x depth 85/176 x height 106 cm.
