- **Maxi version for all body types**
- **Lift with 2 motors**
- **High-quality Okin 2-motor model**

Our Diamant electric rise and recline armchair has been designed to combine comfort and contemporary lines for your home. The chair is equipped with 2 high quality motors and a structure that is even more reinforced compared to previous models. Its 2-motor equipment offers additional features compared to single-motor chairs: the independent handling of the footrests in relation to the backrest and the quasi-plane position in a relaxed position for a more comfortable nap.

Armrests and footrests in PU foam density D24 hardness 50, Seat in PU foam density D24 hardness 50 + foam spring base. Backrest in hollow polyester fibres for soft comfort.

Overall dimensions: width 86 x depth 85/176 x height. 106 cm. Weight 48,5 kg.

Seat dimensions: width 49 x depth 50 x height 50 cm.

The Diamant armchair is available in 5 exclusive and high quality upholsteries: Chocolate imitation leather, mottled grey fabric, taupe microfiber, cappuccino leather and chocolate leather.

**Maxi model :**

Our Diamant Maxi armchair retains all the characteristics of the standard Diamant: elegant design, soft comfort and double motorisation for the independent adjustment of the legrest and backrest. Seat, footrest and armrests in PU foam density 22 kg/m<sup>3</sup> hardness 70. Backrest filled with hollow polyester fibres. Seat suspended on a foam spring base for greater comfort and elasticity. The dimensions are more generous to accommodate strong people more comfortably.

Available in grey fabric, chocolate leatherette and taupe microfiber only.

Overall dimensions: width 95 x depth 85/181 x height. 114 cm.

Seat dimensions: width 59 x depth 50 x height 50 cm.

Weight 53 kg. The Diamant electric lifting chair has been designed to combine comfort and contemporary style for the home. The chair is equipped with two high-quality motors and a structure that has been reinforced compared to previous models. Its two motors offer additional features compared to single-motor chairs: the footrests can be operated independently of the backrest and the chair can be reclined to an almost flat position for a more comfortable nap.

Armrests and footrests in D24 density PU foam with a hardness of 50, seat in D24 density PU foam with a hardness of 50 + foam spring base. Backrest in hollow polyester fibres for soft comfort.

Overall dimensions : width 86 x depth 85/176 x height 106 cm.

Seat dimensions : width 49 x depth 50 x height 50 cm. Weight 48.5 kg.

The Diamant armchair is available in 3 exclusive, high-quality upholstery options : chocolate imitation leather, heather grey fabric, taupe microfibre.

Maximum user weight : 140 kg

Maxi model:

Our Diamant Maxi armchair has all the features of the standard Diamant: elegant design, soft comfort and dual motorisation for independent adjustment of the leg rest and backrest. Seat, footrest and armrests in PU foam with a density of 22 kg/m<sup>3</sup> and a hardness of 70. Backrest filled with hollow polyester fibres. Seat suspended on a foam spring base for greater comfort and elasticity. The dimensions are more generous to accommodate larger people more comfortably.

Available in grey fabric, chocolate-coloured imitation leather and taupe microfibre only.

Overall dimensions : width 95 x depth 85/181 x height 114 cm.

Seat dimensions : width 59 x depth 50 x height 50 cm.
