

HandSteady non-spill mug

Our HandSteady non-spill cup is a unique weighted cup that stays upright while the handle rotates 360 degrees. It allows people who are weak and prone to tremors to avoid spilling the contents of the cup. It is recommended for people with arthritic wrists. It comes with a lid that can be stored inside the cup for safe and gentle drinking. Height 10.6 cm. Capacity 25 cl. Made of ultra-resistant polycarbonate. Dishwasher safe.
