

HandSteady spill-proof cup

The HandSteady spill-proof cup is a unique weighted cup that stays upright while the handle rotates 360°. It prevents users with weak hands or tremors from spilling the contents of the cup. It is recommended for people with osteoarthritis of the wrist. It is supplied with a lid that fits inside the cup for safe and easy drinking.

Height : 10.6 cm.

Capacity : 25 cl.

Made from ultra-resistant polycarbonate.

Dishwasher safe.
