- 60 x 40 cm - 823082
- 80 x 40 cm - 823020
- For reclining seat - 823078
- Tiltable tray - 823030.H

- **Bed table with tilting tray**
- **Model suitable for lifting armchairs of various types**
- **Additional tray available**

This range of tilting bedside tables is suitable for use in bed, but also when sitting in one's favorite chair or armchair. The tables have a high-quality melamine top in a beechwood finish, which can be tilted for eating and reading. They are equipped with a safety edge. The range consists of two tables with standard leg widths and a choice of tabletop widths (60 or 80 cm), and a special table for recliner chairs with wider legs and an 80 cm wide tabletop. The optional shelf provides an additional 20 cm of shelf space.

Grey epoxy-coated steel frame.
100% Made in France.

The models available:
