- **Bed table with tilting tray**
- **Model suitable for lifting armchairs of various types**
- **Additional tray available**

Our range of reclining bed tables is suitable for use in bed, but also while seated in your favorite chair or armchair. The tables feature a high-quality melamine top in beech decor, which can be tilted for eating and reading. It is equipped with an anti-fall edge. The range comprises 2 tables in standard base widths, with a choice of 60 or 80 cm tabletop widths, and a special table for lift chairs with a wider base width, with a width of 80 cm. The optional shelf provides an additional 20 cm wide shelf.

Structure in pearl-gray epoxy-treated steel.
Made 100% in France.
