

Pair of telescopic ramps Ergo

- **Ideal for vehicle access**
- **Suitable for all armchairs**
- **Useful track width 16.5 cm**
- **Unique locking system**

Our Ergo telescopic aluminium ramps provide easy access for disabled people in manual and electric wheelchairs. They are telescopic to be stored in a restricted space.

The handling of our ramps is very easy thanks to the plastic contact parts and to the tabs blocking the different positions. They have a rubberised anti-slip under the high rim. They are equipped with a wide and comfortable handle for transport.
