

Pairs of telescopic ramps Ergo +

- **Ideal for vehicle access**
- **Telescopic and foldable for easy transportation**
- **Suitable for any armchair**
- **Useful track width 16.5 cm**

Our Ergo + aluminium telescopic ramps can be used for all types of chairs, both manual and electric. They are telescopic and foldable so that they can be stored in a small space, despite their large size of use. The handling of our ramps is very easy thanks to the plastic contact parts and to the tabs blocking the different positions. They have a rubberised anti-slip under the high rim. They are equipped with a wide and comfortable handle for transport.
