S-Ergo 125 manual wheelchair

- **A high-quality, ultra-comfortable manual wheelchair for seniors at home**
- ☐☐ **Only 40 cm size - Grey is available**

The S-ergo manual wheelchair has some interesting features :
- A unique patented S-shaped seat prevents the patient from sliding forward and ensures greater comfort by reducing pressure points.
- A very lightweight structure for this type of wheelchair, weighing only 14.2 kg fully equipped in the 40 cm version (14.8 kg for the 50 cm version), Equipped as standard with adjustable brakes for a third person, liftable armrests, flexible armrests, and a molded non-slip handrail.
- A very narrow overall width makes it easy to pass through doors, at just 17 cm wider than the seat width. This folding wheelchair is very maneuverable and has a breakaway backrest for easy transport, fold-up armrests, 7-inch front wheels, and 24-inch rear wheels with spokes.

Aluminum frame available in grey or burgundy.
