Classic calendar clock

- 817224

- **An ideal tool for disoriented individuals**

The large Classic 2 calendar clock (32 x 32 cm) makes it easier to keep track of time with its clear display of the day, date and year. It has a large clock face with quartz movement. It also indicates whether it is morning or afternoon. The year can be changed manually using a set of numbers provided. An ideal tool for people who are disoriented.
Requires 1 AA battery and 2 C batteries (not included).
Stands on its own or can be mounted on the wall.
Dimensions : width 32 x height 32 x depth 10.5 cm.
Weight : 1.7 kg.

Date d'impression : 11/11/2026
