

Prima swivel grab bar

- 40 + 40 cm - 815167

- 60 + 60 cm - 815168

- **Find the ideal angle for your shower**

Our Prima bar swivels on its central axis and allows you to make a 90° angle, an open angle at the angle you want or a straight bar. Once you have chosen the angle, you will secure the bar firmly by screwing it in place. Handrail with non-slip glides.

2 lengths available: 40 + 40 cm or 60 + 60 cm.

Variantes :

- 40 + 40 cm
- 60 + 60 cm
