

Anaform spoon

- Anatomically shaped strap and handle
- Standard model or available in a weighted model to suit individual requirements
- Dishwasher safe

The new AnaForm spoon has a wide, ergonomic handle for a comfortable grip and can be tilted up to 90° to the right or left (do not exceed 15 twists). It comes with a strap so it can be used without holding it.

It is available in an unweighted version (122 g) and a weighted version (up to 322 g) supplied with 10 stainless steel weights weighing 20 g each.

Length: 23.5 cm.

Dishwasher safe.

Variantes:
