

Jumborest Universal Armrest and trays

- **Ideal for posture correction**
- **Repositionable at will**
- **French manufacture**
- **New for 2020: black colour available.**

JUMBOREST BASE REST: (Photos 5 to 7)

The Jumborest can be attached to the table by simply bending the arm. It can be installed quickly and stably without tools. The arm allows 3 positions of assembly to be compatible with armchairs equipped with armrests. It is ideal for providing better seating comfort and postural support. The jumborest fits on all types of table with a thickness of 20 to 40 mm. Non-slip table contact surfaces. Made of high-strength polymer.
Table dimensions: depth 28 x width 29/16 cm.
Available in white or black

JUMBOREST MINI ACCESS TRAY: (Photos 3 and 4)

Nomadic tray adaptable to standard furniture and facilitating the approach and use for people in manual and electric wheelchairs. In the same way as the Jumborest support, it can be installed in a few seconds by simply bending the shelf over the furniture. Top in rigid compact laminate. Grey-beige colour.
Dimensions: 40 x 42 cm. Thickness 6 mm.
Weight 2 kg.

JUMBOREST ACCESS TRAY: (Photos 1 and 2)

Compact removable reception tray with removable arms. Adapted and functional layout to facilitate the reception of a person with reduced mobility at a standard desk. Compatible with tray thicknesses up to 40 mm. Complies with the ERP law. Removable arms for easy transport/storage. Easy to clean.
Overall dimensions: 69 x 38 cm.
Useful dimensions : 60 x 30 cm.
Weight 4 kg.
