## Pair of thermal gloves

VIDÉO DISPONIBLE JUSTE EN DESSOUS !

- Women's model - 115038.F

- Men's model - 115038.H

These gloves are made from aluminised thermal fabric that keeps hands warm for longer in cold weather. Lightweight, thin and stretchy, the fabric retains heat.

Can be worn as gloves or inner gloves.

60% polyester, 20% nylon, 20% aluminised fabric.
Washable at 30°.

Available in two models : women or men
