

Walking aid belt*

- Standard - 815078

- Large - 815079

- **Even more slip-resistant inner coating**
- **100% Made in France**

This solid belt allows one to assist patients in efficiently standing up. It has four wide handles with reinforced stitching, positioned all around the belt for a firm and secure grip.

Closes with large buckles and a Velcro strap to secure it once in place. Waterproof and sanitizable polyurethane-coated polyester cover with foam padding.

Available in 2 colours : grey and black.

Two sizes available :

Standard : belt size 70 x 15 cm.

For waist sizes : 70 to 120 cm.

Large : belt size 100 x 15 cm.

For waist sizes : 100 to 170 cm.
