- **New comfort for working with patients**
- **Memory foam**
- **6 different shapes depending on the area to be supported**

Comfortable and ergonomic cushion made of memory foam flakes and a polyester cover coated with waterproof, ventilated, can be disinfected, and sanitised-treated polyurethane. It easily adapts to the patient's body shape and facilitates the masseur's work. Surface can be disinfected with spray.

100% Made in France

Anthracite grey colour.
Non-removable covers.
