Gripware plate

- Edge with cut-out - 813104

- Straight edge - 813103

- **High rim 4,1 cm**
- **Non-slip underside**
- **2 models available depending on requirements**
- **Dishwasher safe except for rubber pads**

The Gripware plate is very useful for people with disabilities or hemiplegia. It has a very high rim (4,1 cm) and a non-slip underside. The high rims make it easier to scoop up food.

Dishwasher safe except for rubber pads.

Our plates are available in two versions :
- With a classic rim : 23 diameter
- With a rim cut out on one side : For easier access to cutlery. 23 diameter.

Version with straight rim (on the left of the photo).

Variantes :
- Edge with cut-out
- Straight edge
