

Capri shower chair

- **Integrated handles for safe movement**
- **Optional extra comfort seat cushions**

Capri chairs allow users to shower safely and comfortably. The entire structure has been reinforced to support up to 150 kg. Wide seat with backrest for added comfort. No tools required for assembly. Handles provide support for sitting down and standing up.

For added comfort, optional armrests and seat cushions made of waterproof, sanitiseable EVA foam in grey or blue colours are available, suitable for all Capri seat shapes.

Aluminium and polypropylene structure.

Made in Italy.
