

Secucare lifting grab bar

- 815176

- **Corrosion-resistant matt anodised aluminium**
- **Specially designed shape to help users stand up**

With their attractive design, Secucare grab bars are very sturdy and ergonomic due to their elongated hand grips. White ABS covers are impact and scratch resistant. The aluminium section can be cut to size if required. Matt anodised aluminium for corrosion resistance

30 + 30 cm grab bar.

Maximum user weight : 150 kg.
