

Inco bag

- **Prevents soiling in the buckets of commode chairs and bedpans**

The Inco bag includes a bag and an absorbent pad and is ideal for preventing soiling in commode buckets and bedpans.

The caregiver will be able to keep his or her skin clean, but also the hygiene of the patient's environment. This practical Inco bag bucket protector allows the removal of the patient's needs and traps bad odours in a few movements.

The absorbent pad transforms the content in 2 minutes maximum, does not let odours & dirt escape.

Simple closure with straps.

Box of 20.

Variantes :

- Bowl protector
- Bucket protector
- Vomit bag
