Classic compression stocking threader

- 819175

- **Comfortable foam handles**
- **No more bending down**
- **Putting on stockings, tights or socks is now easier!**

The Classic stocking aid allows individuales to put on your socks or compression stockings with less effort and contortions. Simply slide it onto the metal frame, insert the tip of the foot, and pull the handles to pull the stocking up the leg.
White epoxy-coated metal frame.
