PositPro buoy cushion

- Aubergine - 829084.A

- Grey - 829084

- **Buoy-shaped cushion, comfortably supports and positions the patient's head in the supine position**
- **Material based on the latest innovations**

The PositPro cushions feature Technigel fibre, which provides exceptional comfort for patients. It exceeds the comfort performance of current polyester fibres, is lighter and, above all, has a memory effect. It allows for optimal positioning to relieve pressure points.
They come with a removable Steritex cover, made from the most resistant polyurethane on the market. Innovative, ventilated and waterproof coating on a bi-elastic knitted base. Ideal for decontamination in care homes and suitable for the most stringent requirements in environments with a risk of contamination.
Its resistance to maintenance makes Steritex a product that is highly appreciated by hygiene services. Washable at 95°C. Resistant to chlorine and autoclaving.

Very soft and comfortable to the touch. 100% cotton fibre cover.

Buoy-shaped cushion, comfortably supports and positions the patient's head in a supine position at 30°C or lateral at 30°. The use of the cushion relieves and distributes pressure points on the patient and prevents the development of bedsores during nursing care.
