

PositPro buoy cushion

- Aubergine 829084.A
- Grey 829084

- Buoy-shaped cushion, comfortably supports and positions the patient's head in the supine position
- Material based on the latest innovations

The PositPro cushions feature Technigel fibre, which provides exceptional comfort for patients. It exceeds the comfort performance of current polyester fibres, is lighter and, above all, has a memory effect. It allows for optimal positioning to relieve pressure points.

They come with a removable Steritex cover, made from the most resistant polyurethane on the market. Innovative, ventilated and waterproof coating on a bi-elastic knitted base. Ideal for decontamination in care homes and suitable for the most stringent requirements in environments with a risk of contamination.

Its resistance to maintenance makes Steritex a product that is highly appreciated by hygiene services. Washable at 95°C. Resistant to chlorine and autoclaving.

Very soft and comfortable to the touch. 100% cotton fibre cover.

Buoy-shaped cushion, comfortably supports and positions the patient's head in a supine position at 30°C or lateral at 30°. The use of the cushion relieves and distributes pressure points on the patient and prevents the development of bedsores during nursing care.

Dimensions: 50 x 17 cm
