• An elegant armchair for optimum comfort

Our Mercato armchair gives you a more relaxed position. Simply release the side latch and the backrest will tilt and the leg rest will rise. You're just like in bed. All you have to do is sit back down and the seat will return to its original position.

No lifting function. Your comfort is ensured by a seat and footrest in PU foam (density 22 kg/m³, hardness 70), armrests in PU foam (density 18 kg/m³, hardness 70) and a backrest filled with hollow polyester fibres. Seat suspended on a foam spring base for extra comfort and elasticity.

Overall dimensions: width 65 x depth 90 (extended 154) x height. 105 cm (extended 80).

Weight 29 kg
